About HT

The Heritage Times HT Media champions sustainable growth, justice, good governance, and regional integration across Africa and beyond through investigative journalism, rigorous analysis, and expert-led perspectives. We go beyond reporting to explain context, hold power to account, and provide strategic corporate communications and PR. By pairing hard-hitting reporting with thoughtful reviews of film, music and the arts, we promote African cultural heritage and deliver trusted, impact-driven media that informs, influences and inspires positive change.

Trusted journalism and strategic communications for a just, integrated, and culturally vibrant Africa.
